

HOMeward BOUND FOSTER TO ADOPT PROGRAM

Certain dogs in the rescue have been passed by or not noticed and have been here waiting and deserve a forever loving home. The Homeward Bound Program is designed to help find the perfect matched forever home for your new four legged friend. If you love one of our dogs, but are not sure, please ask to see if they are eligible for the Homeward Bound program. If you decide to accept a foster-to-adopt dog, you will foster for two weeks to evaluate whether your home is the right forever home. After the two week period you will decide whether to adopt the dog, in which case you have one week to complete the adoption contract and pay the adoption fee to PAWS, or return the dog to us. If you decide not to adopt, we ask you complete a questionnaire about the dog, so we can help find him/her a perfect matched home in the future.

In order to be accepted into this program, foster-to-adopt applicants must submit a pre-adopt application and be approved, a home visit, and sign the Homeward Bound Foster to Adopt Agreement.

****Please note** The “Homeward Bound Foster to Adopt Program” is designed to allow families to keep one of our ready to adopt rescue dogs in their home for a two week trial period to be sure it is a good match for the family and the dog. We will never allow an un-spayed, no medical updated dog into the Homeward Bound Foster to Adopt program. Puppies and highly adoptable dogs are NOT eligible for this special program.
